IN RE: Application of Verizon Wireless for	) ORDER
Approval to Retain Seven Part Fours (Seven	) GRANTING
Thousands-Blocks) in South Carolina	) APPLICATION
	)
	)
	)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Verizon Wireless (Verizon or the Company) for acceptance of Verizon's Part 4 forms and for approval to retain seven thousands-blocks in South Carolina.

Verizon recently conducted a self-audit of its Part 4 forms, and discovered that Part 4 forms had not been filed with the Pooling Administrator by the in-service deadline for seven thousands-blocks in South Carolina. This was in part due to a staffing change within the Company.

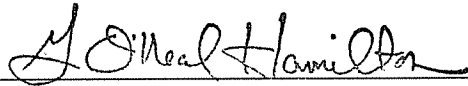

The Office of Regulatory Staff (ORS) has reviewed the Application and does not oppose Verizon's request for acceptance of its Part 4 filings or its request for approval to retain the associated numbering resources.

We have examined this matter, and believe that the Company has shown good cause for failure to file the forms with the Pooling Administrator. Accordingly, we accept

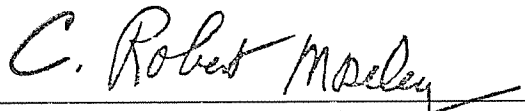

Verizon's Part 4 forms, and we approve the request to retain the seven thousands-blocks in South Carolina.

This Order shall remain in full force and effect until further Order of the Commission.
